## Message from the President

Greetings from the desk of IACTA president.

We all have successfully overcome the scariest pandemic that our generation has seen in our lifetime. All IACTA members worked hard during pandemic time, even suffering themselves from Covid infection. IACTA also changed course and held annual IACTACON meeting online. Now we have learnt to hold onto our web meetings and take quick decisions, cutting down travel and IACTA spending for such small group discussions.

IACTACON 2023 at Jodhpur was a resounding success with good attendance. Consciously, IACTA has taken decision to let new regional bodies host annual conferences at new locations. Next year is going to be exciting as we hold IACTACON 2024 at centrally located and well-connected city of Nagpur for the first time ever. I invite all IACTA members to attend this conference in large numbers and make it super successful.

This is possible because of new AIIMS being opened in different cities across India. Open heart surgery set ups and cath lab have opened in many grade B and C cities even by big private hospital groups. We at IACTA also have responsibility in promoting new next generation of leaders who will take IACTA ahead in coming years. I have always said that IACTA EC should always be like IPL cricket where the most experienced and the youngest IACTA members take decisions together.

IACTA also should make sure that training programme of young Cardiac Anaesthesiologist is standardised all throughout the country. ICCA is helping a great deal to look after these certification programmes and will keep doing so in future.

Our journal Annals of Cardiac Anaesthesia (ACA) is going leaps and bounds on the shoulder of our past and present chief editors. We have a bigger role to play by contributing more and more research papers to ACA so that readership of ACA improves further.

Last but not the least, we all should encourage newer members practising CVT Anaesthesia to join IACTA as life members.

IACTA is pro active in joining hands with cardiac Anaesthesia associations of some neighbouring countries like Nepal and Bangladesh as well with some far of countries like EACTA and South Africa. We will strive to reach more countries.

I welcome all new IACTA EC and ICCA members.

See you all again at IACTACON Nagpur 2024.

Long live IACTA. Jai Hind.

**Dr. UDAY GANDHE,**  
President, IACTA

## Indian College of Cardiac Anaesthesia

Indian College of Cardiac Anaesthesia: Following are the activities at Indian College of Cardiac Anaesthesia (ICCA) since the publish of previous newsletter:

• The ICCA board has been reconstituted with four new academic council members. Dr. Dheeraj Arora has taken charge as “Dean Academics”. The two vacant posts of Advisors and one academic council member are been readvertised in this newsletter.

• The FIACTA and FTEE 2022 passed candidates were presented the fellowship certificates during the IACTACON 2023 at Jodhpur.

• **FTEE 2023:** The theory exam for FTEE 2023 is scheduled on 28.05.2023 and a record number of 70 candidates are scheduled to take the multicity computer-based theory exam. The candidates who pass the theory will get two chances to clear the practical exam. (scheduled in August and December 2023).

• **FIACTA 2023:** The FIACTA exit exam 2023 is scheduled on 9th and 10th September, 2023. To make the FIACTA exit exam more comfortable to the candidates, GBM has approved that the candidates may be allotted the home city as exam centre (meaning that they need not to be sent to other city which was compulsory earlier). This will save time and money for the candidates and will encourage more and more students to take the FIACTA exam. The application form and the downloaded from the IACTA website or click the following link to download the form:

[http://www.iacta.co.in/uploads/FIACTA-Exi-Exam\\_2023\\_Application-and-Eligibility-Form.pdf](http://www.iacta.co.in/uploads/FIACTA-Exi-Exam_2023_Application-and-Eligibility-Form.pdf)

• **New Fellowship:** ICCA is working on the procedure and protocol for the new “Fellowship in ECMO and advanced cardiac procedures”. The proposed document and the structure of this fellowship will be presented to the EC and GBM in 2024 for approval.

• **Honorary FIACTA and FTEE:** Honorary FIACTA for 2023 is awarded to Dr. Rajesh Arya and Honorary FTEE for year 2023 is awarded to Dr. Dheeraj Arora. Decision based on merit point system was approved by GBM at Jodhpur and will be awarded at inauguration ceremony at IACTACON-2024, Nagpur.

• **Research in Cardiac Anaesthesia:** We are happy that we have received two research projects which are under consideration with ICCA. Dean research along with research committee are working on that and soon they will take a decision on the proposals.

• **IACTA Academic lectures:** The academic lecture program on virtual platform is going very well. We have recorded all the lectures and very soon, we shall be posting them on IACTA website so that all can benefit with the academic presentations and discussion on the topic discussed.

• **IACTA Guru Award:** An award for best teacher/mentor was proposed and approved by GBM at Jodhpur. We invite suggestions from all members about this award. Please send you suggestions to:

[iccaregistrar@gmail.com](mailto:iccaregistrar@gmail.com)

• **ACA best paper award:** An award for the best paper published in our print journal “Annals of Cardiac Anaesthesia” has been proposed. We invite suggestions from all members about this award. Please send you suggestions to: [iccaregistrar@gmail.com](mailto:iccaregistrar@gmail.com)

• Applications are invited for FIACTA teachers, FIACTA centres, FTEE examiners, FIACTA examiners and honorary FIACTA and honorary FTEE. The eligibility criteria for all above is given in the “College (ICCA)” column at [www.iacta.co.in](http://www.iacta.co.in)

# Indian Association of Cardiovascular and thoracic Anaesthesiologists (IACTA) Travelling fellowship (National and International)

## Guidelines

IACTA invites applications/nominations for travel fellowships from young anaesthesiologists. It carries an award of Rs 40,000/- for visiting a center of excellence in India and Rs 75,000/- for an overseas hospital / institute. The applicant can choose to visit a center within India (in a city other than the applicant's place of work) or overseas.

- Total one Indian and one International travelling fellowship per year.
- The center should be performing at least 1000 cardiac procedures annually or should excel in performing a particular surgery/procedure/technique.
- The duration of fellowship is normally one month.
- The travel grant is awarded every year to the suitable candidate.
- The applicant should be a life member of IACTA and have a minimum of two years of experience in cardiac anesthesia.
- He/She should obtain approval from the head of the department if working in a department.
- Acceptance letter from the center of visit to be attached.
- Age of the applicant should be less than 40 years on last date of application.
- Application in the prescribed format (download from the website) should reach the IACTA office before 31st July 2023.
- Applications will be scrutinized by the IACTA office and finally approved by EC and GBM.
- Name of the anaesthesiologist selected will be announced during the GBM at national conference of IACTA in February.
- After completion of the observership, the anaesthesiologist should submit a brief report to the IACTA office.
