

Indian College of Cardiac Anaesthesia (ICCA)
(An Academic Body under the aegis of Indian Association
of Cardiovascular Thoracic Anaesthesiologists)

**APPLICATION FORM
FIACTA CENTRE ACCREDITATION /
RE-ACCREDITATION**

(To be filled in block letters)

Affix one recent
passport size
photograph

Name of Institute/Hospital applying for FIACTA accreditation.....

Address of Institute /Hospital.....

.....

CityPin Code..... State

Ph. No.....Email/ Website (if any).....

No of years center has been functioning.....Head/CEO/Dean of the center.....

Email Ph. No.....

Bed strength of centerNo. of cardiac beds (cardiothoracic surgery and cardiology)

No. of cardiothoracic and vascular surgeries performed per year.....

Is this application for Accreditation or Re-Accreditation.....

Break up of Cardiac Surgeries

Adult Cardiac:

Paediatric Cardiac:

Thoracic and Vascular:

No. of catheterization procedures performed per year:

No. of Cardiac OTs:

No. of Cardiac Surgery ICU beds:

Dedicated TEE machine to OT: yes /no

Is the center having DNB/PDCC/DM courses: yes / no

(If 'yes' please give the details such as the specialties, number of students & teachers assigned)

Library facilities: Available / Will be arranged

Details of Cardiac Anesthesiologists: Enclose the following [name, email id & mobile no, qualifications, designation, experience: in a teaching hospital after MD & non-teaching, presentations and publications]

Is any Cardiac Anesthesiologist a certified FIACTA Teacher? (give details):

Has the center applied for accreditation earlier? yes / no

If yes, reasons for not getting / discontinuation of accreditation:

PAYMENT OPTIONS

DEMAND DRAFT	FAVORING IACTA PAYABLE AT PUNE: MAIL IT TO THE ICCA Office
CHEQUE (MULTI CITY) OR CASH	REMIT IN ANY SBI BRANCH TO THE ACCOUNT NUMBER GIVEN BELOW AND MAIL THE COUNTERFOIL OF THE PAY - IN- SLIP TO THE ICCA Office
ELECTRONIC TRANSFER (AS NEFT)	ACCOUNT NAME: IACTA ACCOUNT NO: 30007410621 STATE BANK OF INDIA -PBB, SENAPATI BAPAT ROAD BRANCH, PUNE IFS CODE: SBIN0004120

FIACTA Center Accreditation / Re-Accreditation: Guidelines

1. The center should have a FIACTA Certified teacher who is a full time cardiac anaesthesiologist. No center can be accredited without certified teachers. In case a certified teacher leaves an accredited center, this should be informed to ICCA office.
2. The center should have an annual turnover of at least 400 cardiac surgical procedures of good case mix [CABGs, Valves, Congenital (50/year) & sufficient number of Thoracic & Vascular]
3. The number of cases: student ratio should be 400:2 i.e., for every 400 cardiac operations, there can be 2 FIACTA students. A single center can have a maximum of 4 candidates per year.
4. The teacher student ratio is 1:2. If the center has other courses like DNB, DM, PDCC, the ratio will be 1:1.
5. The operating rooms and intensive care beds must have state of the art equipment for invasive & non-invasive monitoring and ventilation. In addition, there should be 24 hours biochemical laboratory services including an arterial blood gas analyzer. Availability of echocardiography facilities with TEE is mandatory.
6. The center should have access to at least two journals of cardiovascular thoracic anaesthesia, two journals of cardiac surgery and two journals related to critical care medicine. Standard text books dealing with cardiac anaesthesia, transesophageal echocardiography, pediatric cardiac anaesthesia and general critical care should be available. Furthermore, the center should propose a twice weekly academic schedule.
7. The center shall not levy any direct or indirect charges from the FIACTA candidates in relation to the fellowship program. However, the students shall pay the registration and examination fees directly to IACTA.
8. The candidate shall be paid stipend/remuneration as applicable to a senior resident by the center.
9. Newly started centers desirous of accreditation need to be functional for at least one year before it can be inspected for recognition.
10. All accredited centers will be re-inspected after 5 years. In case an accredited center has candidates failing their FIACTA examination / no appearance consecutively for 3 years, the recognition will be withdrawn and a re-accreditation will be subjected to further inspection.
11. For newly opened centers, initial recognition will be for 2 years following which re-accreditation will be required, which will be valid for 5 years.
12. IACTA assumes no responsibility for accidents/illness/insurance etc. towards the candidate during the course of the fellowship.
13. ICCA permits more than one center to seek combined accreditation. However, when more than one / multiple centers seek combined accreditation for a good case mix of CABG, Valves and Congenital heart surgeries, they will be treated as one center of training and need to meet all the above criteria. The duration spent by a candidate in each center needs to be specified at the time of application for accreditation.
14. Accreditation Fee: The center will be required to pay IACTA a registration fee of Rs. 25,000/- towards accreditation. In addition, Travelling expenditure and local hospitality of the Inspector/inspectors are also to be borne by the center. For re-accreditation, the registration fee is Rs.10000/-only.
15. On the receipt of application on the prescribed form and registration fee for center recognition, the ICCA will depute an expert member to inspect the center.
16. Application form for FIACTA Teacher Certification is available on the IACTA website.
