FIACTA Teacher Certification: Eligibility criteria

In order to be able to impart high quality of training to candidates desirous of a fellowship in cardiac anaesthesia, the FIACTA teacher must fulfill the following minimum criteria:

1. A postgraduate qualification (MD / DNB in Anaesthesia) from a recognized university/national board with at least 10 years experience in cardiac anaesthesia in a recognized major hospital or institute. The center should have a minimum turn-over of 400 cardiac cases per year. They must devote most of their professional time in cardiac anaesthesia. Out of 10 years, at least 3 years should be in a teaching hospital. (A teaching hospital is one where a MD/DNB in Anaesthesia or DM/PDCC/DNB/FNB/FIACTA in Cardiac Anaesthesia is going on)
2. The teacher must be a life member of IACTA.
3. He / She must be competent in different clinical/administrative skills required for cardio thoracic anesthesia inside the OT and ICU. Further he /she must have the time and dedication to fulfill the teaching responsibilities.
4. The teacher must demonstrate commitment to training-and practice of cardiac anaesthesia by participating/ associating with regional, national or international cardiac anaesthesia CME's, seminars and conferences (preferably as a faculty) and associating with the regional, national or international cardiac anaesthesia organizations.
5. He / She must exhibit active interest in medical research, scientific presentations or publications in or related to the field of cardiac anaesthesia.
6. Should have 5 publications in peer reviewed indexed journals as one of the first three authors or the corresponding author. E journals are not acceptable.
7. The Indian College of Cardiac Anaesthesia (ICCA) board would verify the credentials before certifying him/her as a teacher in cardiac anaesthesia.
