

Faculty advertisement for basic online echo lectures for non-cardiac anaesthesiologists

1. Should be a life member of IACTA.
2. Should be certified by Indian, American, European, British or any other international boards in TEE/TTE.
3. Should have held a faculty position for six years in a teaching institute/or consultant position for 10 years in a hospital having ongoing cardiac anesthesia with TEE program (DM, DrNB, PDCC, or fellowship programs run by IACTA).
4. Should demonstrate continued interest in echocardiography in the form of practice/publications/teaching/reviewing.
5. Should be delivering preferably 3-4 academic lectures per year in national/zonal conferences or workshops on echocardiography.
6. Should be having high quality teaching material including echo video loops/images to support the lectures. The loops should have removed identifiers like the company name, patient and institute name from echo loops used in presentation.
7. The major focus of the lectures will be on transesophageal echocardiography (70%) and 30% will be Pocus (transthoracic and lung ultrasound).
8. The teacher should allow the presentation for recording and future use at IACTA Echo library of archives of ICCA academic activity.
9. Interested applications may mail with all details in CV format and supporting documents to iccaregistrar@gmail.com
10. Successful applicants will be notified by email and will be assigned classes well in advance.
